

Teacher Education Building

DESCRIPTION	ESTIMATES	JUSTIFICATION																																				
<p>This proposed building consists of classrooms, labs and faculty offices for the Teacher Education Program.</p> <p>It will serve as a Center for Best Practices in Teacher Education with emphasis on Math, Science and Technology Education; allowing distance learning programs to be delivered to remote and geographically isolated teachers.</p> <p>The project will provide a technology-rich teaching/learning environment to prepare new teachers for “Information Age” classrooms.</p> <p>This program was housed in the 17,016 square foot Old Main Building and four other buildings. Due to life safety concerns, the University closed Old Main in August 2003 and re-located this program to other locations on campus.</p> <p>This request has been substantially reduced from previous requests. A Professional Development School that was previously requested is no longer included.</p> <p>The facility will be located on the site of the former Cedar Middle School which was purchased by SUU.</p> <p>An architectural program has been completed using funds advanced by the institution.</p>	<table style="width: 100%; border-collapse: collapse;"> <tr> <td>Total Request FY05</td> <td style="text-align: right;">\$10,545,000</td> </tr> <tr> <td>Construction</td> <td style="text-align: right;">7,826,086</td> </tr> <tr> <td>Design Fees</td> <td style="text-align: right;">675,970</td> </tr> <tr> <td>Property Purchase</td> <td style="text-align: right;">0</td> </tr> <tr> <td>Furnishings & Equip.</td> <td style="text-align: right;">1,256,801</td> </tr> <tr> <td>Utah Arts</td> <td style="text-align: right;">78,144</td> </tr> <tr> <td>Other</td> <td style="text-align: right;">707,999</td> </tr> <tr> <td>Total Est Cost</td> <td style="text-align: right;">\$10,545,000</td> </tr> <tr> <td>Previous Funding</td> <td style="text-align: right;">\$0</td> </tr> <tr> <td>Other Funding</td> <td style="text-align: right;">\$0</td> </tr> <tr> <td>Request Type</td> <td style="text-align: center;">Design/Const</td> </tr> <tr> <td>Gross SF</td> <td style="text-align: right;">62,025</td> </tr> <tr> <td>Increased State O&M</td> <td style="text-align: right;">\$253,682</td> </tr> <tr> <td>New FTE Required</td> <td style="text-align: right;">0</td> </tr> <tr> <td>Addnl. It is inadequate to meet this program’s needs in regards to space, functionality and technology.</p> <p>Old Main is a historically significant building that will be renovated through a capital improvement project after the new building is completed to address a number of life safety and structural problems and to replace worn out electrical, plumbing and HVAC systems. It will then be available for other needs.</p> <p>Teacher Education is the heart and soul of SUU and has been at the core of the University’s mission for over a century. Each year, more than 1,500 students are enrolled in undergraduate teacher licensure programs and over 300 are enrolled in the Master’s of Education program.</p> <p>In 1993, SUU graduated 212 new teachers. In May 2003, 420 teacher education licenses for SUU graduates were recommended to the State Office of Education, an increase of over 98%. Over the past nine years, the number of full-time faculty and staff has more than doubled to 28.</p> <p>SUU is the second highest producer of new teachers among the State’s public universities and 78% of SUU graduates teach in Utah schools.</p> <p>A study completed for the State Office of Education in January 2000 reported that the overall school age population in Utah is expected to increase by 14.4% between 2005 and 2010..</p>
